Third Party Administrator (TPA)

Third Party Administrator (TPA) is defined as an organization that handles the administrative duties of a self-funded health benefits plan. SB/A CoOp partners with top Third Party Administrators to function as contract administrator on behalf of an Employer's self-funded health plan program.

Organizations such as SB/A CoOp outsource TPAs to facilitate those administrative duties such as billing, claims processing, employee enrollment, and maintain compliance with state and federal regulations. TPA functions and authorities are set by a fiduciary.

A TPA provides access to contracted Preferred Provider Organization healthcare networks, pharmacy PBMs and telemedicine. SB/A CoOp TPA partnership specializes in traditional and level funded programs. The TPA partnership integrates medical management data with the claims adjudication process to allow for seamless customer service and one point contact for service needs.

SB/A CoOp

The SB/A CoOp is a non-profit "Agency" Cooperative Corporation. The SB/A CoOp Inc., acts as the "Legal Collective Agent" of all the Cooperative Members to facilitate advantageous contractual relationships for and between the

The SB/A Cooperative Efficiency | Savings | Simplicity | Freedom

The SB/A CoOp was formed in 2017 as a non-profit "Agency" Cooperative Corporation to provide for employer/employee health care benefits in the small and large employer marketplace. Each group employer SB/A CoOp Member can sponsor a partially self-funded ERISA Employer Welfare Benefits Plan for the benefit of its employees and their dependents.

SB/A CoOp may legally "aggregate" small business employers and protect claim exposure via an "Aggregate Stop Loss Fund" (ASLF) owned by the SB/A CoOp Employer Members. Each SB/A CoOp Employer Member has its own SB/A Cooperative sponsored and funded claim account administered by a contracted Third Party Administrator.

To participate and take advantage of the SB/A Core Health Plans, the following is required:

- Employers and Brokers must become Members of the SB/A CoOp. Complete the Membership Agreement. \$24 annual fee.
- 2. Employers complete the Group Information form.
- 3. Employees complete the Group Health Application. No medical application.
- 4. Brokers and Agents of Record; contact SB/A CoOp for appointment.

The Employer's maximum claim liability is limited to the 12-month level funding of its claim account. Member Employers own the fund and may receive a defined surplus on a calendar basis (12/18) in accordance with Fiduciary responsibility.

The Small Business Agency Cooperative

was organized to foster the development of partially self-funded healthcare benefit arrangements which include the use of Level Funded ERISA compliant "Limited Benefit Plans", the use of Employer funded "Aggregate Stop Loss" coverage and reinsurance consistent with applicable State and Federal laws, including ERISA.

SB/A CoOp acts primarily as the legal agent for all Cooperative Members in arranging for and facilitating ERISA compliant and ACA qualified employer/employee health benefit plans that are administered by a legal Third Party Administrator (TPA).

Brokers/Agents that are Members of the SB/A CoOp and who are compensated by the SB/A CoOp, may market the SB/A CoOp and its group health and welfare benefit plans.
